- Underdaws were awarded eleventh place over Sol Train under the first tie-breaker set forth in Rule IX (prevailing over Sol Train in six of the eight categories).
- Gregory Peckers were awarded fourth place over Doug Outs under the second tie-breaker (total at bats plus three times the number of innings pitched), as the two teams were still tied after the first tie-breaker, four categories to four.
- Winter Rosters: Effective October 15, each owner should submit to the League Office a list of 23 players, irrespective of position, taken from his or her combined active and reserve rosters (but not including any players who have concluded their option year or the last year of a guaranteed contract). The group of players not protected will be eligible for winter waivers (See Ultra XI).
- Thanks to everyone for a great year. Watch your mailboxes for more information on winter waivers, plus the always eagerly anticipated off-season newsletter.
